

## Verbal Telephone **COVID19** Assessment

This assessment will take place approximately 24 hours prior to your appointment at Natural Back Health.

## Do you or any other person in your household have any of the following symptoms?

Recent onset of cough

Recent onset of fever

Recent onset of respiratory symptoms

## Do you or any other person in your household have any other risks of COVID19?

- is anyone awaiting tests and/or outcome of **COVID19**
- Has anyone been advised to self-isolate
- Has anyone been in contact with a person diagnosed with COVID19 in the last 14 days
- Has anyone in your household recently returned from abroad in the last 14 days

## IF YES TO ANY OF THE ABOVE QUESTIONS YOU CANNOT ATTEND YOUR APPOINTMENT.

I will reschedule you for a later date.

Please note 24 hours before the next appointment I will repeat this assessment with you over the phone again.

Please be aware that recommendations are changing day by day as we all deal with this situation. I wish to support you in having an effective and safe experience whilst attending and this is the first step in helping ensure this.

Although some of the measures may seem frustrating and time consuming, they are necessary to ensure the safety of you and others.

Yours in health and wellness,
